"AMERIKA: Back to the Future"

DAVID HERBERT
ANTHONY GOICOLEA
MARCUS KENNEY
JENNIFER and KEVIN MCCOY
set to the music of RAMMSTEIN and KIMYA DAWSON

Imagine Starship Enterprise re-purposed by future cavemen.

American icons transformed. Dark, but not entirely hopeless visions of past and future becoming one. Represented by new works of David Herbert, Anthony Goicolea, Marcus Kenney and Jennifer & Kevin McCoy. Set to the music of Rammstein and Kimya Dawson.
