## Editors' Picks: 14 Things Not to Miss in New York's Art World This Week

The art world's eye is turned toward Miami this week, but there's still plenty to see in New York.

### "NSFW: Ana Benaroya and Tina Lugo" at Postmasters Gallery

Ana Benaroya, who will graduate from Yale University with an MFA next year, and Tina Lugo, a painter and tattoo artist based in Portland Oregon, both paint sexually explicit scenes in which female figures dominate, making them a natural pairing in this two-person show. The exhibition, full of humor and explosive sexual power, leaves behind traditional gender roles in its wholehearted embrace of erotic passion.
