---

## ART

---

**Photo Object:** This show presents photography as a form of Conceptual sculpture, with appropriated images used as objects and object lessons by Barbara Kruger, Silvia Kolbowski, Alan Belcher, Diane Formisano, Sarah Charlesworth, Oliver Wasow, and Vikky Alexander. It's almost convincing. Through January 26, Postmasters Gallery, 66 Avenue A, 477-5630. (Levin)
