

PO MASTERS

ART

Almee Rankin: Her theme this time is "Atrocities," and her new hyper-real peepshow wall boxes are as seductive, as synesthetic, as smart and tightly packed with symbolic images, objects, colors, textures, and sounds as ever. And the outsides are now better integrated with the treats within. Through May 8, Postmasters Gallery, 66 Avenue A at 4th Street, 477-5630. (Levin)
