## The Glorious Twelfth: A Food and Film Pairing

*Hugh the Hunter*, Hugh Hayden and Zack Heinzerling's short film, portrays Hayden as an estate tweeds-wearing member of highland gentry on the hunt for an elusive red grouse. The film, which premiered at the 2015 Sundance Film Festival, is a storybook retelling of the artist's long-time preoccupation with birds and eating. So it's appropriate that on the historic first day of the British grouse-shooting season, Hayden stages yet another one of his dinner parties, this time in collaboration with [Ghetto Gastro](#) and [D'Artagnan](#). Definitely come hungry: the press releases promises a "chicken 'n' waffles" remix of the roasted grouse, but with "bread sauce and game chips."
